To Our Corporate Partners:

The **Central Florida Association of Physicians from the Indian subcontinent (CAPI)** represents approximately 600 physicians of multi specialties from India, Pakistan, Bangladesh, and Sri Lanka in the Central Florida area. We were formerly known as DOSA (Doctors of South Asia). CAPI is the second largest ethnic physician group in the State of Florida. I would like to invite you and your company to participate in our general meetings.

Our Medical Conferences are organized with the goal to provide a forum for scientific, education, cultural, charitable and social interaction amongst its many members. Our next Medical Conference will be held on Saturday, March 3rd at Rosen Centre Hotel (Opposite Peabody and Orange County Convention Center) 9840 International Drive Orlando Florida 32819. The event will start at 5:00 pm with medical lectures and corporate sponsored exhibits (5:30 to 7:30 pm), followed by the Medical Conference & Dinner Program at 7:30 PM.

We are expecting at least 200 local physicians from community and hospital based practices to attend this program.

I humbly request your participation and support at this event. You will be given the opportunity to display your products or services and have an opportunity to meet Physicians and Medical professionals from the entire State of Florida.
